REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students, faculty, staff, and parents of Clinton Elementary have experienced a wonderful school year as the school theme, "Racing to Success," was taken to heart. With this theme in mind, the students and faculty exhibited an excitement about learning and sharing knowledge with other students in the school as well as community members. There was an increase in parental involvement and support throughout various academic activities and programs.

As we strive to make tremendous gains in all academic areas, we are proud of the honor and recognition brought to our school by the South Carolina State Department of Education. Clinton received the Palmetto Gold Award for the improved performance of historically underachieving students. The administrative staff and teachers worked diligently throughout the school year to ensure that a comprehensive curriculum which supports the South Carolina State Standards was provided for all students.

In addition to the implementation of research-based instructional strategies, technology was incorporated into the classroom to enhance student learning. Almost every classroom is equipped with a Smartboard, an interactive board that thoroughly engages students in their learning. Along with Smartboards, United Streaming Videos and document cameras assisted teachers in preparing lessons that encouraged critical thinking among all students.

Our school also offers many activities for our students that help to foster student self-confidence, their sense of achievement, and motivation. These activities include honor assemblies, special field trips, displays of student work, art club, musical performances, and school service clubs. Students and staff honor the artistic diversity of the students with state and local celebrations. One of the most popular events is the production of the Black History Month Program which attracted over three hundred members of our school community. At the state level, several students were recognized for their artistic abilities by the Picasso Project.

Due to hard working faculty and staff, enthusiastic learners, and a dedicated community, each year brings us closer to our goal of preparing all students to be successful in an ever-changing and challenging world.
